29.5cmstick incense × 44 sticks,

Burning 60~90 minutes/ST, commercial ↓

The preparation of Zimpua(ritual incense) is one of which nagi, saffron, red & white sandalwood, form a part. The excellence of Zimpua, however, is not merely in the purity of its ingredients, but in the manner of its formulation as well. It is prepared with great care and in accordance with the traditions preserved through the centuries within the monastic orders of Tibet.
